## THE WAR IS RAGING—WHOSE SIDE ARE YOU ON?

The book of Revelation states that in the days just prior to the return of the Messiah, the antichrist will amass an army of two hundred million (200,000,000) people (Revelation 9:16). Their goal is to kill, steal and destroy. It seems incredulous that such an army can indeed exist. One wonders at the logistics: who pays them, what are their weapons, where do they live, where were they trained, who instructs them, and many other questions. But the questions lose sight of the fact that this is a spiritual army of human beings who operate on the spiritual level. While they may at times have physical interaction, their mission is based in the spiritual, as God's mission through the Holy Spirit is based in the spiritual. In this Blog post, I ask questions designed to have you determine whether or not you, a member of your family, or a friend may knowingly or unwittingly have become a member of Satan's army of two hundred million.

No one who is a member of Satan's army and takes the mark of the beast (Revelation 13:16, 14:11) can enter into the Kingdom of God. As you read the questions, they will provide clues as to how the army is recruited, paid and rewarded. Members are from every religion or spiritual practice including atheism, every socio-economic level, and every race. They communicate primarily through the ether, just as our communications with God are primarily through the ether. It is a spiritual war with both physical and spiritual consequences. If you or someone you know can answer "yes" to at least two of the listed questions on the opposite page, you are either being recruited or you have joined Satan's army of two hundred million.

Review the list of questions and make a decision today that you will never be deceived or cajoled into serving Satan and the Anti-christ, instead of the Lord your God and Creator.

1. Have you been told that individuals with light surrounding them or with a bright aura are dangerous to your well-being and the key to your survival is in your ability to diminish their light?
2. Do you have Smartphone or other apps that enable you to turn light into darkness when you direct it at someone with a bright aura or energy field?
3. Do the apps record each time they are used and are you paid for each time you use them for any designed purpose?
4. Are you paid by Direct Deposits to a debit card or to an implant in your hand which can be scanned to pay for purchases?
5. Do you have unique ways of dealing with conflict that involve the use of Smartphone apps or hand-held technology?
6. Do you download these apps from a specific location unrelated to the manufacturer of the Smartphones?
7. How many different types of apps do you have that are designed to assist you in dealing with conflict and do they have medical names such as coma activator or energy deactivator?
8. Can these apps assist in dealing with conflict with persons of any age, including children?
9. Can these methods be used to deal with conflict involving someone whom you view as a general threat even if they are not immediately threatening?
10. Can these methods be used to injure someone or cause them to be hospitalized?
11. Are you sometimes told to tail or follow someone you view as a threat and do you use the same or similar Smartphone apps to do so?
12. Can the methods of tailing or following someone with the use of the Smartphone apps cause injury, swelling, fainting, convulsions, seizures unrelated to epilepsy, shock, headaches, blurred vision, internal bleeding, or sudden loss of consciousness in the person being tailed or followed?
13. Are you rewarded with bonuses or additional payments on your debit card or hand implant if you cause any of these incidents in the person you are tailing or following?
14. Have you been told that you are being trained to become an FBI agent or that you are training another person for a difficult FBI position that requires brutality, rape or other circumstances? If you are in a country other than the U.S. you can substitute the FBI with any major enforcement agency in your country such as Scotland Yard in the United Kingdom.
15. Have you been trained to use weapons that are spiritual in nature to commit rape in the physical or spiritual realm, or to cause injuries that are physical in nature?
16. Are these injuries directed primarily to major internal organs and arteries, and do they sometimes manifest on the skin surface as skin burns, or as major and inexplicable indentations in the limbs accompanied by skin burns when Smartphone apps are used?
17. Are you employed in a capacity that you were told is a cover for your real job with the FBI or other government agency so that you are not generally required to do the job for which you are being paid? Do you consider the paid job a generous reward for agreeing to work with them?
18. Have you been advised that you need to periodically loan your human spirit to others to enable them to perform certain tasks?
19. Do you sometimes have difficulty remembering your name, address, reading a clock or watch to tell the time, or performing simple mathematical functions, although you have not been formally diagnosed with any mental incapacity?
20. Have you caused or assisted in causing the physical death of anyone through the use of the Smartphone apps you described earlier, or through the use of any other spiritual methodology?
21. Are you currently engaged in actively seeking to diminish the light in additional people, or in trying to cause their physical death.
22. Are any of these individuals members of your family, members of your congregation, friends, or co-workers?
