

PRESS RELEASE

GOD'S WOMAN OF REVELATION 12

FOR IMMEDIATE RELEASE

New York City – September 30, 2015

This is a day that the Lord has made. We should rejoice and be glad in it. It is not unlike any other day, but like many others, it is a day of miracles--miracles such as the birth of a newborn baby, rainfall on a parched garden, sunshine bidding a rose to unfold its petals, and ether dutifully carrying messages to and from God.

It also is the day on which I am to tell the world that I am God's Woman of Revelation for their generation. Many people already know or suspect that I have a message from God, but many others do not. So, what does it mean to be a Woman of Revelation? It means that you tell the world that there is a God in heaven and you reveal him to them. It also means that you reveal to them their true nature--the power, the passion, and the love and adoration they feel toward God. The devil would have them believe that power comes only from him, and that God is to be hated. Too many believe his lies and become derailed.

A Woman of Revelation also must be revealed to herself. She generally sees herself as very ordinary and is often reluctant to take on any role that could possibly place her at the forefront of any battle. Her true nature is that of a selfless front-line warrior. One on whom God always can rely to place mission first. God intends for her wealth, beauty and love, but for a time she will choose the opposite, if necessary to complete the mission. She rallies the troops of God and assists them in taking up their rightful positions--positions of power, prestige and authority. She does so selflessly, wanting for them the best of what they want for themselves.

Most importantly, a Woman of Revelation is God's betrothed, and will be wedded to him for all eternity. In turn, she betroths to him his creation, cleansed, redeemed, and perfected. Perfected, not because of her, but through her and with her. And, because of her desiring for them what their Messiah desired, the creation is redeemed. Cleansed. Redeemed. Perfected.
